CANADA INDIA INSTITUTIONAL COOPERATION PROJECT

Canada India Institutional Cooperation Project is a Human Resource Development Project. It was launched by an MOU between Canadian Government and Indian Government. Our Polytechnic College was selected under phase XI replication from 2009 for implementation. The Project is focusing on developing the following thrust areas.

1. Strategic Planning
 2. Continuing Education
 3. Student Services
 4. Faculty Development
 5. Women Development
 6. Facility Development
 7. Environment Development
 8. Industry Institute Interaction
 9. Management Information System
- A Strategic Planning group has been formed to prepare the strategy for the effective functioning of CIICP thrust and to achieve the development.
 - The revised plan was developed for the year 2014-2015 and approved for implementation.
 - A Review Meeting was held on 22.6.15 to discuss the proposed new courses, budget and remuneration to the staff members who handled the Continuing Education Classes.
 - In Continuing Education, two courses such as Auto Cad, Computer Hardware Maintenance and Servicing were conducted and 50 students participated and were benefited. The Courses were started during the month of December 2015.
 - The successful development of this Strategic Plan is a result of encouragement and support given by our management and all our stakeholders. The step by step process of this plan is being followed systematically in such a manner that the implementation of the plan will certainly act towards the growth of the Polytechnic institution.

CONCLUSION

To conclude the academic year 2015 -2016 sailed smooth with varied activities being imprinted in its achievements. It is an ongoing process and each staff member has contributed towards the achievement of goals. We march with a great vision and we are truly optimistic in achieving it.

My sincere thanks goes to our Management who lend their helping hands at all moments. I thank all the staff members for their co-operation and service rendered to the students' community.
